GIS DAY @PURDUE

Call for Presentations

Geographic Information Systems (GIS) are available to all Purdue students and this is a day to celebrate, share and discuss their many uses!

The 2014 Purdue GIS Day will be held on Friday, November 7[h]. Purdue students are invited to submit presentations for the lightning talk session. Each presenter will have 5 minutes to present their research. All presentations will be eligible to be published via Purdue e-Pubs, our institutional repository (http://docs.lib.purdue.edu/gisday/).

Who can participate: Purdue students working on research that uses GIS as a component in any way are invited to present. Please note that *GIS does not need to be the main component of the research*. All are welcome to attend GIS Day events.

Where: Stewart Center, Room 214

When: Friday, November 7th, 2014, 3:00 - 4:00 PM.

What's required: A PowerPoint presentation that articulates your research. Submit your title and abstract to: https://purdue.qualtrics.com/SE/?SID=SV_1MHwLo0GvJR6yDb by Thursday, October 30th, 2014 at 11:59 P.M.

Why should you present your research at Purdue GIS Day?

1. A great opportunity to practice presenting your research
2. Chance to publish in Purdue e-Pubs
3. Add a presentation to your resume
4. Network with other students using GIS from all over campus
5. …And get a Free T-shirt, plus GIS Day presentation certificate!

Abstracts are now being accepted

An abstract of no more than 250 words that encapsulates the research should be submitted. Please submit an abstract to **https://purdue.qualtrics.com/SE/?SID=SV_1MHwLo0GvJR6yDb** by **Thursday, October 30th, 2014.**
