LIBRARIES QUICK TIPS

Collections—lib.purdue.edu

The Purdue University Library system includes more than 3.8 million printed volumes and electronic books, close to 165,000 electronic and print journals, more than 377,000 government documents, and over 86,000 microforms.

Libraries Online Search

Libraries Online Search is a platform that aggregates a large percentage of the library's electronic and print resources, making them all searchable at the same time from one central location. Users will find books, articles, images, datasets, graphs, charts, and many more resource types.

Books

Newly acquired books are shelved using the Library of Congress (LC) call number system, which begins with a letter. Most other books use the Dewey Decimal System, which begin with a number. Please ask staff at the information desk in any library for help locating books.

Interlibrary Loan/Document Delivery

Interlibrary Loan (ILL) (HSSE 256) supports the instructional, research, and scholarly activities of currently employed or enrolled West Lafayette faculty, staff, and students by obtaining research materials not owned by Purdue University Libraries and School of Information Studies. Document Delivery provides electronic scans of Purdue-owned materials from our physical collections.

Printing—(Prints, Posters, and 3D Prints)

Printing is available in all Libraries. Color printing is available in the Veterinary Medicine Library (LYNN 1133D), HSSE Library (STEW 153), Hicks Undergraduate Library (HIKS G950), Parrish Library (KRAN 230), and the Wilmeth Active Learning Center (WALC). Poster Printing is available on the second floor of the WALC and in Hicks. In the WALC, Purdue University Libraries offers free 3D printing for items less than 50 grams, with a total limit of 100 g per month (to print over gram limit, please provide your own material).

For 3D Printing: guides.lib.purdue.edu/3dprinting

Borrow Electronic Equipment

All electronic equipment, including cameras, tripods, hard drives, microcontrollers, and Raspberry Pis, is available in the Knowledge Lab at the WALC.
